

## **ABOUT THE ASPEN HEALTH STRATEGY GROUP**

Kathleen Sebelius and William Frist  
Co-chairs

The Aspen Health Strategy Group brings together senior leaders across sectors to examine some of America's most complex and controversial health issues and drive meaningful change.

Members are influential, innovative, out-of-the-box thinkers who vigorously probe a single topic each year and develop a package of impactful Big Ideas for moving policy and practice forward.

## **FIVE BIG IDEAS ON REVERSING THE U.S. MATERNAL MORTALITY CRISIS**

- **Make a national commitment at all levels of government and the private sector to address the crisis**
- **Build and support community care models**
- **Redesign insurance around women's needs**
- **Tackle the racism that undermines women-centered maternity care**
- **Invest in research, data, and analysis**
