Meeting Purpose: The Committee will receive updates from HRSA's Deputy Associate Administrator for Health Workforce. The members will then hear presentations and hold discussions on the multiple Title VII Sections 747 and 748 grant programs to determine if updates to the programs and/or authorizing legislations are needed. The members will also vote on a draft letter of support for the Teaching Health Center Graduate Medical Education program and finish with a discussion on potential topics for next year's 2025 report.
