Dear Tribal Leader:

The Health Resources and Services Administration (HRSA), an agency of the U.S. Department of Health and Human Services, is the primary federal agency for providing equitable health care to people who are geographically isolated and economically or medically vulnerable.

This letter serves as official notice of the Spring 2022 HRSA Tribal Advisory Council (TAC) Meeting. The meeting, held by webinar, is hosted by the HRSA Office of Intergovernmental and External Affairs on April 26-27, 2022, and is open to the public from 12:00 p.m. – 5:45 p.m. ET. Members of the public are invited to attend and observe but active participation is limited to TAC delegates. The public meeting will be preceded by Tribal Caucus from 11:00 a.m. – 12:00 p.m. ET and is open only to elected tribal officials by invitation.

Please register in advance through the [Spring 2022 HRSA TAC Meeting registration link](#).
