What is a Prior Approval Request?

HRSA approval may be required when a recipient needs to change certain aspects of the approved application after the award is issued

Require submission in Electronic Handbooks (EHBs) Prior Approval (PA) Module

Require a 30-day response from HRSA

Recipients may not move forward until HRSA approval is received, either via Notice of Award (NoA) or an EHB email notification

Regulations and Resources

- <u>45 CFR §75.308</u> "Revision of budget and program plans" lists all the program or budget-related plan revisions that require prior approval from HHS
- Check the program legislation, Notice of Funding Opportunity (NOFO), and Notice of Award (NoA) for specifics on what changes require prior approval

Types of Prior Approval Requests

- Change in Key Personnel (Project Director Change)
- Rebudgeting (e.g. Alteration & Renovation, Transfers, etc.)
- Change in Scope
- Carryover Unobligated Balance
- Extension without Funds (No Cost Extension)
- Property Actions (e.g. Disposition, Encumbrance)
- Organizational Name Change (Other)
- Change of Recipient
- Approval to Draw-down funds

Types of Prior Approval Requests 2

- Relinquishment
- Capital Update
- Extension with Funds
- Administrative Supplements
- Other

Change in Key Personnel

- Key personnel are those who contribute or execute the project in a meaningful way. Their absence from the project would impact the approved scope of the project.
- The program legislation, Notice of Funding Opportunity (NOFO), and Notice of Award (NoA) will indicate which positions are affected.
- Defined in 45 CFR Part 75: The individual(s) designated by the recipient to direct the project or program being supported by the grant. The PI/PD is responsible and accountable to officials of the recipient organization for the proper conduct of the project, program, or activity.

Change in Key Personnel

 Changes include situations in which the current Project Director/CEO withdraws from the project entirely; is absent during any continuous period of three months or more; or reduces the time they devote to the project by 25% or more from the level that was approved at the time of award. [see : 45 CFR 75.308(c)(1)(ii) and (iii)].

Change in Key Personnel (continued)

Include the following in your Prior Approval Request via the EHBs:

- Request Prior Approval as soon as possible
- Effective date of the change
- Justification for the change
- Qualifications of the proposed replacement PI/PD
- Curriculum vitae of the proposed replacement PI/PD
- Level of effort this individual will undertake
- Budgetary changes resulting from the proposed change

Expanded Authorities

- Waive certain prior approval requirements for some actions
- Notice of Award (NoA) will tell you if your program has expanded authorities and which requirements have been waived
 - Remarks
 - Terms and Conditions

- Significant re-budgeting occurs when, under a grant with a federal share exceeding \$100,000, cumulative transfers among direct cost budget categories for the current budget period exceed 25% of the total approved budget—includes direct and indirect costs, whether chargeable to federal funds or required matching or cost sharing—for that budget period or \$250,000, whichever is less.
- Category re-budgeting
- Purchase of real/tangible property, including equipment

Rebudgeting 2

Unless otherwise restricted by the terms of your NoA, you may make post-award programmatic and budget revisions within and between approved budget categories up to 25% without prior approval.

Include the following in your Prior Approval Request via the EHBs:

- Cover letter providing an explanation regarding the need for the budget revision and detailed costs
- Revised SF-424A or 424 R&R, and possibly the 424C
- Line-item budget
- Narrative justification

Carryover of Unobligated Balance

- Request to use unobligated balance in a subsequent budget period
- Should be submitted within 30 days of the submission of the Federal Financial Report
- A Carryover cannot be used for new activity that was not proposed in the original budget.

Carryover of Unobligated Balance - Submission

Include the following in your Prior Approval Request via the EHBs:

- Cover Letter which includes:
 - The amount being carried over and brief explanation on why there is a remaining balance
 - The allowable activities and proposed timeline that the carryover, if approved, will be used for
 - Statement indicating there will be no changes to the approved award objectives, goals or purposes
- Revised SF-424A: Budget Form

Line-Item Budget Breakdown & Justification

Carryover or Extension Without Funds?

- How do I know which one to request?
- Is there a subsequent budget period?
 - If yes, request a carryover
 - If no, request a no-cost extension
- Ask your Grants Management Specialist if you are not sure!

Extension Without Funds (No-cost extension)

- Request for more time to complete a project, not to exceed 12 months, submission recommended at least 60 days prior to the expiration of the project period.
- Not merely for the purpose of using an unobligated balance (45 CFR 75.308d(2))

Include the following in your Prior Approval Request via the EHBs:

- A statement about why you need the extension
- The duration of the extension (not to exceed 12 months)
- Project objectives you plan to complete during the extension period
- A detailed budget page
- A budget justification for unobligated funds you anticipate will remain at the end of the current budget period

Change in Scope

Any major change to the originally-approved scope of work

Property Disposition

- Approval to transfer or sell equipment or transfer, sell, or mortgage real property
- See 45 CFR Parts 75.318-75.321

Approval to Draw-down Funds

- Specific award conditions may include, but are not limited to, the following, requiring payments as reimbursements rather than advance payments
- When a Federal award recipient is placed on restricted drawdown, all drawdowns of Federal funds from the Payment Management System (PMS) must have approval of HRSA's Office of Federal Assistance Management, Division of Grants Management Operations, and must comply with all applicable requirements before funds are drawn.

Organizational Name Change

- Submit under Other, then Name Change
- Make sure you update in SAM.gov too!

Change in Recipient

 Successor-in-Interest: Two organizations merge, or one organization takes over another by assuming all assets and liabilities

Relinquishment

- Recipient decides it is unable or unwilling to carry out the approved project and has chosen to give up the award
- Full award or part of an award

How to Submit a Prior Approval Request in EHB
