

## **Nearly \$50M Initiative to Support Opioid Treatment and Recovery Services in Rural Communities**

### **WHAT IT DOES**

RCORP – Impact will improve access to integrated, coordinated treatment and recovery services for substance use disorder (SUD), including opioid use disorder (OUD), in rural areas. RCORP-Impact has four overarching goals:

Goal 1: Service Delivery: Establish and/or expand coordinated and comprehensive SUD treatment and recovery services.

Goal 2: Workforce: Develop a responsive SUD workforce, which includes both peers and clinical providers with diverse scopes of practice.

Goal 3: Supportive Services: Establish and/or enhance coordination with supportive social services to ensure that rural individuals and families impacted by SUD have the greatest opportunity possible for sustained, long-term recovery.

Goal 4: Sustainability: Develop innovative, multi-sectoral approaches to ensure the continued availability of RCORP-Impact supported services in the target rural service area.

### **WHO IT SERVES**

The target population for RCORP-Impact includes:

- Individuals living in HRSA-designated rural areas who are:
  - At risk for SUD.
  - Experiencing symptoms of SUD.
  - In treatment for SUD.
  - In recovery for SUD.

- Their families and/or caregivers.
- Impacted community members who reside in HRSA-designated rural areas.

RCORP-Impact supported services may only be delivered in HRSA-designated rural counties and rural census tracts, as defined by the [Rural Health Grants Eligibility Analyzer](#).
